We are proud to introduce Organiclace new lace line, specifically designed for the lingerie and apparel market. Our new lace line is made of 100% certified organic cotton threads. We use only environmentally friendly, non-toxic production techniques from start to finish on our laces. We are the first and only company producing machine made organic cotton laces, and pride ourselves on the fact that they are of the highest quality not only in the organic market, but in the mainstream market as well. These laces are sure to add beauty and style to your lines, while catering not only to the organic buyers, but the mainstream buyers as well. Our factory prides itself in making the highest quality laces available. With over 25 years experience with lace production, we are able to create not only the best macramé laces used for curtains and upholstery, but now apparel laces. These laces will last with every washing, extending the life of your garment. You may find these lace samples in our catalog. We look forward to answering any questions you may have, as well as forming a long-lasting partnership.
